

Quick Guide on PNB Yuva

PNB has developed a mobile application for Android and IOS platforms in the name of PNB YUVA. The application may be used by youngsters in the age group of 14 to 25 to open and operate PNB Yuva account electronically after giving a few particulars as a part of registration.

The process for usage is as under:

Step 1: Download PNB Yuva App from Google Play Store/Apple Store.

Step 2: Start using the application for lodgment of request for opening the account by clicking 'New User-Sign Up'

The image shows the login screen of the PNB Yuva mobile application. At the top, there is a red header with the PNB logo and the text "punjab national bank" and "...the name you can BANK upon!". Below the header, the word "Login" is displayed. There are two input fields: "User ID" and "Password". Below the input fields, there are four buttons: "Login" (green), "Cancel" (grey), "New User - Signup" (green), "Existing Customer - Online Registration" (green), and "Forgot Password" (green).

Step 3: Fill in desired particulars.
