Trend in GST Collections in Rs crore

Note: Press Information Bureau

Views:

- *At present, GST collections are going as per macro-economic trend. With the kind of momentum picked up by collections, we expect that the collections will surpass the tax collection targets.*
- *GST collections have been on a consistent rise over the last three fiscal years and that provides a stable outlook despite global uncertainties*
- *We anticipate that average monthly may range between Rs 1.70 lakh crore to Rs. 1.75 lakh crore on the back of a strong economy and increasingly better compliance.*
